

**CENTER GROVE
EDUCATION
FOUNDATION
ANNUAL REPORT
2018-2019**

It is an exciting time at the Center Grove Education Foundation! We awarded over \$48,000 in grants and \$54,000 in scholarships during the 2018-2019 school year. Thanks to our donors, we are able to provide additional curriculum resources and new technology for our students, along with up-to-date professional development training for our teachers and staff.

While we funded some amazing projects, there were many we had to turn down. Those tough choices have challenged and energized us to continue our efforts to raise even more money.

We are fortunate and grateful to be a part of a community that recognizes the importance of education for our children, families, and local economy. The generosity of area businesses and individuals is essential for us to fulfill our mission – to enrich the lives of all Center Grove Community School Corporation students by funding additional learning experiences and resources for our students, teachers, and administrators.

We hope that you understand our appreciation of the significant role you play in the continued success and achievement of our students, teachers, and administrators!

With sincere thanks,

Jennifer Rakow
Executive Director

- **Growth Mindset at Walnut Grove Elementary School** - \$2,000 *Brian Proctor, Walnut Grove Elementary School*

Spring 2019 Grants

Teacher Grants

- **STEM at Bridges** – \$289.65 *Alyson Brewer, Bridges Academy*
Bring Sub Zero Nitrogen Ice Cream's STEM Education Program to the Center Grove Bridges Academy. The students will see science come to life with several exciting demonstrations involving liquid nitrogen and enjoy liquid nitrogen ice cream made right in front of the students.
*Made possible by STEM funding from Endress+Hauser
- **Choral Scholarship** - \$1,000 *Jennifer Dice, Center Grove High School*
The goal is that all students who want to participate in the Choral Music Program at Center Grove High School can do so regardless of financial status. The support of the scholarship program will benefit students with financial need who love choral music.
- **Trikes for Preschoolers** - \$1,445 *Barb Kindred, CGCSC Physical Therapist*
Purchase tricycles to provide development preschool students with frequent opportunities to learn how to ride a trike. Research indicates that early intervention is key for students with developmental delays. Riding a trike is an age-appropriate activity that benefits the overall physical and cognitive development of our preschool students.
- **The Netherfield Ball** - \$550 *Lesley McDougal, Center Grove High School*
The purpose of this project is to integrate cultural experiences of Regency England into the Pride and Prejudice unit. Students will dress up for the event, study the etiquette and manners required for the regency ball, and prepare and eat the foods present at a regency ball. Students will also learn regency period dances and perform these dances during the ball.

Spring 2019 Grants

Teacher Grants

- **MSN Greenspace Recycled Bench Project** - \$1,000 *Jeff Peterson, Jake Burskey, and Chris Shadday, Center Grove Middle School North*
Students and staff at CGMSN have been working to restore Indiana native species to a large, 3.3-acre area behind the school into an Educational Greenspace. The Plastic Cap Crew, a leadership group from the MSN Student Council, has begun a recyclable plastic cap collection. The recyclable plastic caps will be used to make recycled plastic benches for the Educational Greenspace.
*Made possible by STEM funding from Endress+Hauser
- **College Bound** - \$356.28 *Denise Sedgwick, Center Grove Middle School North*
Create a permanent display of college pennants representing the major colleges and universities located throughout the state of Indiana, to promote the importance of higher education and encourage discussion among students about college and university options available to them.
*Made possible by funding from CGEF Board Member Heather George Myers
- **Tightening Up Tuning** - \$3,075 *Joe Shimp, Center Grove Middle School North*
Purchase a set of Perfection Planetary Pegs for the school cellos. Planetary Pegs would reduce the amount of tuning time in class greatly, giving back an estimated 25 minutes of instruction a week (that's 11 hours a year!)
- **Fashion and Textiles Vinyl Cutting Projects** - \$1,308.90 *Lesley Stevens, Center Grove High School*
Purchase two Silhouette Cameo vinyl cutting machines, a large heat press, and vinyl supplies for the textiles lab. Intro to Fashion I students will learn the basics of the machine and embellish a project. In Intro to Fashion II, students would learn how to create a graphic, cut out the vinyl and personalize baseball tees. These machines will allow students to create more original designs.

Spring 2019 Grants

Teacher Grants

- **Giving All CG Sports Full-Court Press** - \$1,500 *Casey Tedrow and Melissa Warner, Center Grove High School*
This grant will fund a subscription to Box Out Sports, an enhanced graphics package used exclusively with our sports Twitter account. This subscription would give students in-game experience at creating score updates and statistical graphics, much like college and professional media departments use.
- **OSMOre Ways to Learn** \$745.00 *Kristi Watters, Center Grove Elementary School*
Osmo Learning Systems will be used to increase engagement and differentiation opportunities for kindergarten students. Osmo enables an iPad to merge the power of physical play with the digital advantages of real-time feedback. Playing beyond the screen invites students to collaborate on tables or floors while manipulating tangible game pieces such as number tiles, letter tiles, and coding blocks.
*Made possible by STEM funding from Endress+Hauser
- **Red Alert Robotics Sponsorship** - \$2,500 *Red Alert Robotics Parent Organization*
The goal of Red Alert Robotics is to inspire young people to be future science and technology leaders by engaging them in exciting programs that build science, engineering, and technology skills and inspire innovation.
*Made possible by STEM funding from Endress+Hauser

Spring 2019 Grants

Professional Development Grants

- **Flip to Student View: AMLE Conference Presenters** - \$2,059.72 *Chelsea Fleming, Center Grove Middle School North and Jeanne Schwartz, Center Grove Middle School Central*
As accepted presenters at a national conference with a focus on middle school instruction, we will be sharing our expertise as well as gaining feedback to help us grow in our own coaching practice.
- **Coalition Across Difference - Using Digital Stories to Create Classroom Communities** - \$250 *Erin McNeil, Center Grove High School*
The New Directions in the Humanities Conference explores teaching methods in cultural studies, humanities, and linguistic studies. Not only will the lessons learned from this conference impact my effectiveness as an ENL and English educator, it will also impact the professional development I offer to the staff yearly as the ENL coordinator.
- **Revolutionary Ideas** - \$1,522 *Lauren Schiedler, Walnut Grove Elementary School*
- Attend the 2019 American School Counselor Association Annual Conference in Boston, MA. This is the premier event for in-depth school-counseling-related educational sessions.
- **The Art of Punching, Hooking, and Dying** - \$3,735 *Heidi Shackelford, Center Grove High School*
Attend a five-day retreat at the Oxford Rug Hooking School, located in Cornwall, Vermont. Purchase a class set of Oxford Punch Needles to be used by students in the Fiber Arts class at Center Grove High School.
- **Honing My String Skills** - \$1,290.95 *Joe Shimp, Center Grove Middle School North*
Attend the 34th annual Ohio State University String Teacher Workshop. The workshop aims to send string teachers home with new skills and tricks of the trade.
